

### **Fanbo 13040 Staff Impression**

Fanbo stands at 5'10" and possesses a lean and muscular build that reflects his commitment to a healthy lifestyle. Short black hair frames his heart-shaped face that showcases attractive features like a small button nose, large eyes, strong jawline, full lips, and high cheekbones. One of Fanbo's standout features is his soothing and unwavering voice, which adds to any conversation he is in.

Having studied chemical engineering in school, Fanbo transitioned to the tech industry, currently holding the position of Head of Growth for a healthcare startup. His ambitious career goals include venturing into entrepreneurship and running his own startup within the next 5 to 10 years. Beyond his professional pursuits, Fanbo is a connoisseur of fine tastes, Fanbo enjoys French and Japanese cuisine, showcasing a refined palate. Despite maintaining a health-conscious diet with regular servings of salads, Fanbo embraces the culinary world with an appreciation for diverse flavors. His interests extend to combat sports, particularly Brazilian jiu-jitsu, showcasing his commitment to physical fitness and an active lifestyle. Motivated by a desire to contribute to addressing reproductive challenges, Fanbo decided to become a donor.
