Arlington 20007 Staff Impression

Arlington stands tall at 5'10", exuding an understated charm that turns heads with ease. He has an elongated, sculpted jawline and is softened by the golden touch of his naturally fluffy blond hair that spikes upward with effortless flair. A matching beard frames his face, adding depth to his striking features. His vivid blue, oval-shaped eyes shine, while his delicate snub nose gives his profile a gentle distinction. The soft radiance of his skin reflects a life of energy and quiet confidence, effortlessly drawing others to him.

As an introverted extrovert, he thrives on meaningful interactions while deeply valuing his personal space to recharge. A dedicated medical student, he approaches his studies with purpose and a strong sense of integrity, driven by his desire to make a positive difference in the world. Music is the heartbeat of his life, a legacy shared with his family that he continues to honor through his guitar playing—a passion he's cultivated for most of his adult life. His quick-witted humor adds charm to his personality, as he jokingly downplays his creativity by claiming he has "zero artistic ability," though he proudly admits he can color within the lines. Arlington's love for sushi and his authenticity, intelligence, and warmth make him a truly remarkable person to know.
